

March 20, 2022

To my patients,

It is with mixed emotion that I am announcing my retirement from my family practice at Herold Road Family Physicians. I have truly enjoyed being your family doctor, whether it has been for over 25 years or just in the past few years.

As of August 2, 2022 Dr Jennifer Wood will be taking over my practice. Some of you, I am aware, had Dr Wood as your family doctor in the past. She previously practiced at Herold Road and has returned as a locum physician over the past few years. She is a graduate from the University of Saskatchewan and completed her family medicine residency in Saskatoon. Dr Wood is looking forward to having a family practice again at Herold Road.

Your charts and any pending investigations will be automatically switched over to Dr Wood's name as of August 2. You don't have to sign a document or let us know you wish to continue with her.

At this time, you may choose to obtain the services of another physician outside of Herold Road Family Physicians. If you prefer this option, I recommend proceeding as soon as possible to ensure a smooth transition for your health care. You may request your records be transferred to another doctor outside of Herold Road but a written consent and a chart transfer fee is required.

It has been my great pleasure to have provided you with health services in the past. Best wishes for a healthy future.

Dr Nora McKee
